

Top of the Day!

Thank you for your interest in the volunteer opportunities at Youthville. There are a variety of ways to help our children and staff – from driving youth to appointments to helping with bulk mailings. Your support is greatly appreciated.

Please return the volunteer application to 4505 E. 47th Street South, Wichita, KS 67210 Attention Volunteer Department.

As soon as we receive the completed forms the volunteer site supervisor or staff assistant will contact you to set up an interview. Once this has been completed and the application has been approved, we will begin the screening process. Please allow 3 to 4 weeks to complete background checks and response time from professional references varies. When the screening process is completed, the local area volunteer supervisor will contact you regarding orientation and any other training needed for your volunteer position.

Please see additional information regarding our Volunteer matrix. The Volunteer matrix is a tool to use to see what screens are needed for every volunteer opportunity/position.

Again, we are grateful to you for your interest and look forward to partnering with you.

Sincerely,

Antoine Carthen
