FAMILY CONSULTATION SERVICE

Family Consultation Service (FCS) is a nonprofit behavioral health center. Licensed clinicians provide therapeutic services to persons ages three through adult to address a wide range of concerns. FCS has served the Wichita area since 1900.

FCS offers assistance to persons and families interested in making life changes or finding new ways to resolve problems.

Most major health insurances are accepted, including Medicaid, Medicare and Cenpatico. For those without insurance, a self-pay option is available.
